When executed by both parties, the Voice Services Access Loop Quote (ALQ) will provide a summary of the access quote associated with the location provided and will be good for thirty (30) days. The ALQ will be incorporated into the Telecommunications Service and/or Carrier Service Agreement (TSA/CSA) Terms and Conditions for Delivery of Service between CPTG and Customer and made a part hereof. The ALQ provides pricing, access, bandwidth and location information, all technical information will be gathered on the OOE order form. CPTG & Customer do hereby agree that the Terms and Conditions on the TSA/CSA will govern. To the extent that the Term of this Service on the quote or OOE order form exceeds the applicable TSA or CSA, the Term stated herein shall control and the "Term" of the Service Agreement (as defined therein) shall be extended accordingly. All Local Loop For Voice Services Orders must be accompanied by a pricing amendment outlining variable per minute rates for domestic, offshore, and international calls as well as all per call &/or ancillary charges associated with voice services. If the Local Loop &/Or Voice Service remains in the service beyond the Term then the agreement shall revert to a month-to-month term (subject to all other terms and conditions of the Agreement) and shall be terminable by either party upon thirty (30) days written notice to the other. Note - Customer Provisioned Access orders will be assessed a monthly Network Interconnection Fee (NIC) if applicable. Payment terms are established by the applicable TSA or CSA; typically, the Non-Recurring Charges (NRC) and 1st & last month Monthly Recurring Charges (MRC) are due at contract signing.
